Mrs. Effa Manley,
Owner of Newark Eagles Base Ball Club,
of Negro National League,
71 Crawford St., Newark, N.J.

Dear Madam:

Enclosed please find a copy of a letter
that I have written yesterday to Mr. Tom Hayes, Pres. of
the Birmingham Black Barons Base Ball Club of the Negro
American League, in which I am asking him if it would
be possible for his club to play again at Offermann
Stadium here in Buffalo upon any one, two, or all of
the following three dates that have been reserved for my
promotion of colored base ball: Monday, Tuesday and
Wednesday nights, August 19th, 20th and 21st, 1946.

Although I have tentatively lined up a colored
attraction for those dates, as stated in my enclosed
copy of letter to Mr. Hayes, I would much prefer to
have the Birmingham Black Barons here for those dates,
which are considered as about the choicest dates here of
this season for colored base ball, with a club like yours
opposing them. I will appreciate it, therefore, if you
will kindly let me know at once if your club can play
here in Buffalo at Offermann Stadium on any one, two or
all three of those dates. In the event that the Birmingham

Black Barons shall be unable to come here on those dates on account of being scheduled for Negro American League games in or near Birmingham at that time, would your club be willing to play some other Negro National or American League club or clubs here on those dates; and, if so, what club or clubs would you suggest that would be available for games here at Offermann Stadium on those dates?

Trusting that you will, at least, acknowledge the receipt of this letter, and hoping to hear from you at once in any event, I beg to remain,
